"Studying in Germany opened my eyes to a world outside of my comfort zone and I'm so blessed I was able to have this experience. I plan to take it with me for future use regarding employment and I know I will always have these cherished memories. It was awesome how much I bonded with the group of people who went on this trip with me; we're kind of like a family now!" - Hillary Falter

"This trip was the first trip I have taken to a foreign country so it opened up my eyes to all of the things other countries have to offer. This trip gave me a greater respect for the differences of other cultures." - Travis Wolfgang
