These costs are only estimates based on experiences of previous students. If you plan to travel extensively while abroad, you will need to budget accordingly. On-campus students who will no longer be living in the residence halls with a meal plan might have their financial aid adjusted. Make an appointment with Pam Stimpert, Associate Director of Financial Aid, for details by calling 1-800-882-1548 ext. 5002 and speaking with the receptionist who keeps her calendar.
